Rob,

Please send me the address these will ship from. I can't produce a label without an address that these will ship from. Or if someone there is setup for UPS they can ship it on our account# W0R377. I'll give you a call in the morning. I am listing these as;

- 30x14x10@ 75#- gear bag and
- 30x17x11@70# case.

If the dimensions or weights are way off let me know.

Thank You

Joe – please send the shipping paperwork to Rob Neal – cc Derek Ragon as a backup – can't find scales so I would use my guestimates for the weights – don't need them delivered until Monday if that helps out.
